r.caulfield@uaf.edu (5572) approved the following recommendation regarding continuation of the West
(West Ridge-Nenana parking lot) at least through fall 2003. We request your review and approval.
Subject: MPC recommendation 038:
"Continuation of WeNana shuttle in fall 2003"

MPC recommendation 038: The UAF Master Planning Committee (MPC) recommends that the
Nana shuttle route between West Ridge and the Nenana parking lot be continued through
semester 2003, at which time its ridership and contribution to UAF's overall parking plan can
be reassessed.

The MPC believes that this shuttle route is of service to West Ridge users even after utilization.
However, its projected funding is slated to run out on September 12 as construction wind
The MPC believes it would be useful to identify other funds that can keep the shuttle in operation
through fall semester 2003 at which time its ridership and contribution to UAF's overall parking
plan can be reassessed.

Thank you.
